RAM MUAY

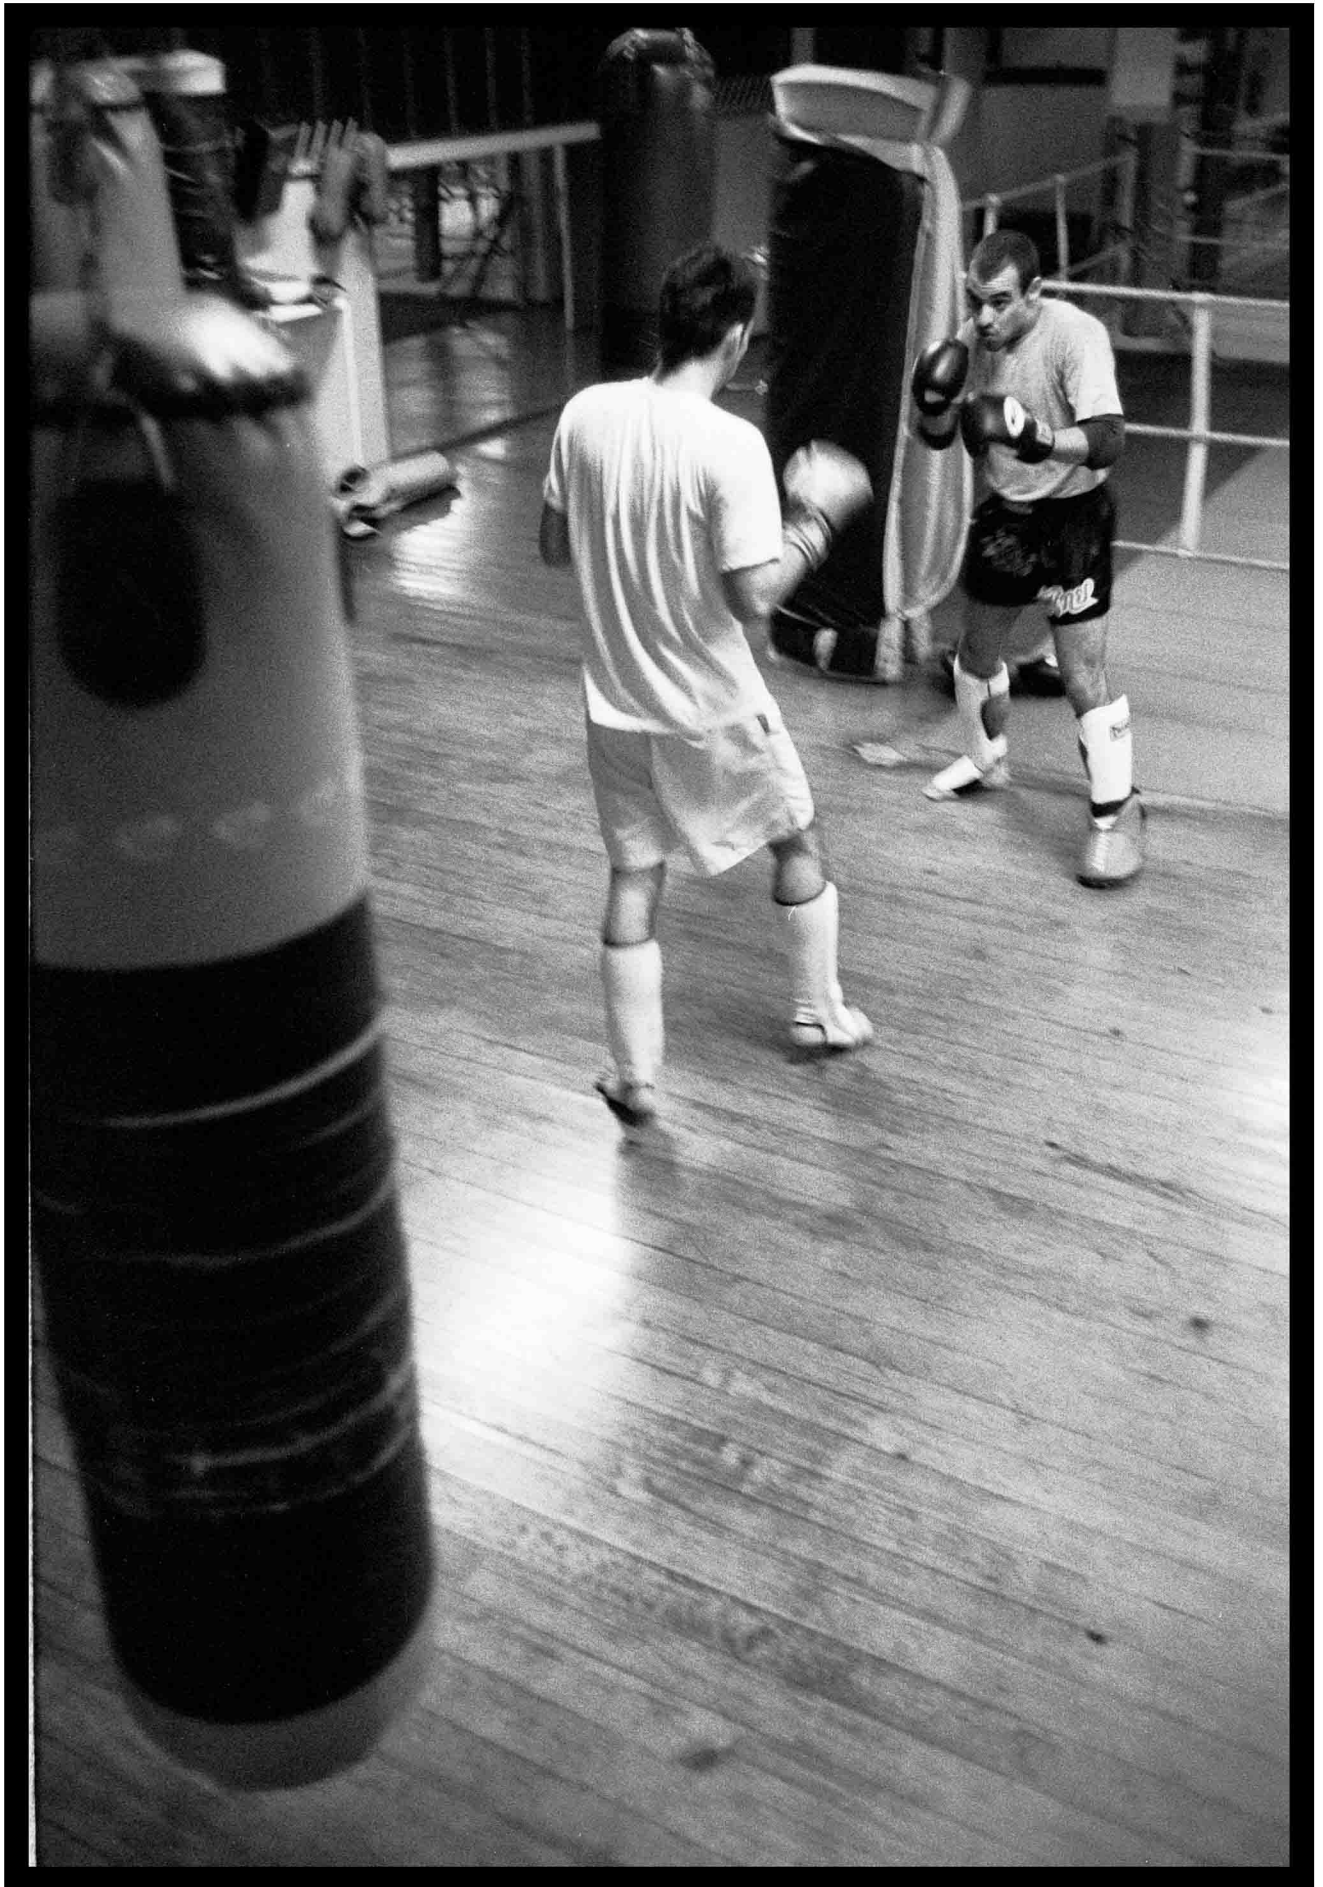

Le bruit de l'impact sur la peau, les cris de l'entraîneur depuis le coin, la sueur, l'odeur du camphre, la lumière sur le ring, le regard après un KO...
Tous ces éléments insignifiants restent dans ma tête. J'ai suivi lors de combats et d'entraînements des combattants du club de l'ASM Boxe Thaï à Pau.
Ce sport m'est étranger mais ma curiosité était telle à l'égard de ces combattants que j'ai voulu savoir pourquoi ils montaient sur le ring.
